We invite you to choose from the many different sponsorship opportunities listed below.

The 13th annual MathCON conference brings together students from all around the country to compete in a national mathematics competition online, and at the finals round in Chicago, IL, on April 27, 2019 for qualifying students. MathCON has grown into a nationally recognized competition with 50,000 students registered last year and 200,000 students since 2008. We invite you to join us this year to reach 100,000+ math educators & help our organization grow.

Become a sponsor at MathCON 2019 to boost your brand recognition and show your support for growing math education. As a sponsor, you will receive many contribution benefits.
