

GOALS

Make connections to math, yourself, and your team members to develop understanding while also sharpening your thinking about mathematics and real life.

Adapt to new changes, challenges, and ideas.

Transform into a mathematical thinker that encourages thinking outside the box and working as part of a team.

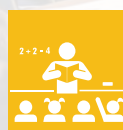

Have a positive and encouraging mindset for math and your fellow team members.

ABOUT US

MathCON Club was created to connect students of all ages by using their common denominator of wanting to add more math knowledge to their belt while also multiplying their level of fun as they are doing it! MathCON Club is open to all schools and students that want to exponentially grow in their math abilities and be well-rounded with math problems, activities, and games.

2022-2023

OFFICIAL RULES FOR MATHCON Club

≥ 3 students in club with new changes, challenges, and ideas.

≥ 1 admin or teacher to be the club captain.

≥ 1 weekly meeting in person or virtually.

MATHCON Club WITHOUT YOU IS LIKE DIVIDING BY ZERO - AN ERROR!
